

BOTA FINTECH NIGERIA LIMITED

CAPABILITIES STATEMENT: NOVEMBER 2020

Who we are

- Bota FinTech Ltd is a rapidly growing start-up company that provides fintech and advisory services to major financial services institutions in Nigeria and Sub-Saharan Africa
- Established by a team of industry experts with a combined experience of over 120 years
- Implements and supports a broad range of platforms across front, middle and back-office
- Leads in advocacy for fintech adaption and adoption for a collaborative ecosystem
- Professionalism is the key driver of our business

Our Offering

Bota is both a sell-side and buy-side financial technologies platform and services provider with specialist services that focus on:

- Trading
- Risk analytics (across all asset classes: bond, equity, commodities and derivatives).
- Portfolio analytics
- Big data & analytics
- Regulatory compliance
- Advisory services
- Business development

Our Dynamic Business Model

To grow organically and/or by acquisition and be located in all the financial centers in Sub-Sahara Africa in the next 10-15 years in collaboration with our global partners

More professionalism produces greater trust and is our key business driver
